## WITH LOVE FROM COPENHAGEN

At UIMAGE, our designers take inspiration from the distinct nature of the Nordic landscape to create unique designs related to the way we live in an urban setting. Influenced by the design language, colours and materials found around us in Scandinavia, we create a collection that is rooted in our home but designed for everyone.

Versatile, flexible and multifunctional, our furniture and accessory collection is designed for packing the most into life in smaller spaces!

## CARE AND MAINTENANCE

Please follow the below care and safety instructions to ensure many years of enjoyment with your new design item from UIMAGE.

- Keep the lamp clean using a hair dryer on the coolest setting, 25 cm (10") from the lamp and blow the loose dust from the feathers.
- Use a damp cloth for dust that is difficult to remove.
- Always keep the lamp away from fire.
- Exposure to direct sunlight may cause a colour fading of your Eos lampshade.

PLEASE GIVE THE FEATHERS TIME TO READJUST  
TO THEIR ORIGINAL SHAPE

It may take up to two weeks, but you can help them along by running your fingers carefully through the feathers.

Keep these instructions at hand for future reference.
