ASSEMBLAGE

Placer les éléments sur une surface plane et dégagée, de préférence un tapis ou le carton d'emballage. Eviter les surfaces dures.

1

Emboîter les pieds de chacun des côtés du plateau. Veiller à pousser les 2 parties à emboîter en même temps et à les maintenir dans la même direction que les tubes du plateau.

ASSEMBLY

Place the different elements on a clean straight surface, preferably on a carpet or the cardboard. Avoid hard surfaces.

Slot the legs on each side of the table top. Make sure to push the 2 parts at the same time and keep the 2 parts in the same direction as the tubes of the table top.

2

Visser les pieds à l'aide des huit vis et rondelles A—, sans serrer.

Screw the legs with eight screws and washers A—, do not tighten.

3

Visser les quatre vis et rondelles B—, sans serrer.
Une fois toutes les vis A— et B— en place, serrer
fort l'ensemble des vis A— et B—.

*Screw the four screws and washers B—. Once
all the screws A— and B— are well positionned,
tighten all the screws A— and B—.*
